

Storyvalues presents: Cheryl Thornton's Myths of Early Civilizations

An interactive storytelling and drama presentation for grade 4 and 5 classes exploring early civilizations.

Cheryl Thornton, has designed an engaging storytelling and drama program for grade 4 and 5 classes studying Early Civilizations. The 60-minute interactive program brings to life ancient myths, inviting students to participate in role playing and problem solving.

Students delight in experiences classical myths about kings and queens, gods and goddesses while learning about what we have in common with people who lived thousands of years ago. As they listen, students are invited to help dramatize myths from ancient Greece, Rome, China, Mesopotamia, Mexico, Canada and Egypt.

Students become familiar with stories from diverse cultures as they explore their creativity and expand language, cooperative learning and communication skills.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling program, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.

For over 10 years Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout southern Ontario.
