

Storyvalues presents: Cheryl Thornton's Myths of Aboriginal Peoples

An interactive storytelling and drama presentation for Grade 5 classes.

For over 10 years Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout southern Ontario.

Cheryl Thornton, has created a captivating drama and storytelling program for grade 5 classes studying First Nations and aboriginal cultures.

Students become familiar with stories from a variety of aboriginal cultures as they explore their creativity and expand language, cooperative learning and communication skills.

The 60-minute interactive program brings to life myths and pourquoi tales, inviting students to participate in role-playing, problem solving and discussing the tradition of storytelling found throughout the various cultures.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling program, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.
