

Storyvalues presents: Cheryl Thornton's *Stories from Asia*

An Assembly Celebrating Asian Heritage Month in May
An Interactive Storytelling Assembly for Grades K - 8

For over ten years Storyteller, Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout Southern Ontario.

May is Asian Heritage Month which is an ideal time to celebrate the contributions made by Asian Canadians to our communities, our country and our world. *Stories From Asia* is an interactive assembly that uses the tradition of storytelling in support of May's Asian Heritage Month.

This educational and fun program combines storytelling with drama, providing students with the opportunity to participate in bringing Asian folktales and myths to life.

Students become familiar with stories from diverse cultures throughout Asia as they explore their creativity and expand language, cooperative learning and communication skills.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling resource, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.
