For over 10 years Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout southern Ontario.

Cheryl Thornton, has created an interactive storytelling and drama program for K-grade 8 schools featuring myths and folktales modeling positive attitudes and behavior.

The 60-minute engaging and educational program combines storytelling with drama, providing students with the opportunity to participate in bringing timeless myths and folktales to life.

Students become familiar with stories from diverse cultures throughout the world as they explore their creativity and expand language, cooperative learning and communication skills.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling resource, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.

Cheryl Thornton, MFA, is the featured storyteller for Storyvalues Interactive [www.storyvalues.com](http://www.storyvalues.com) and has appeared on the CBC, TVO and Roger's Cable.
