

Storyvalues presents: Cheryl Thornton's The Assembly for Family Literacy 2014

An Interactive Storytelling and Drama Assembly for K- Grade 8 Classes Celebrating Canada's Family Literacy Day

For over ten years Storyteller, Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout Southern Ontario.

January 27 is Family Literacy Day in Canada and Cheryl Thornton has created an engaging interactive presentation to help support student and family literacy. The assembly uses the oral tradition of storytelling to involve and inspire.

This educational and entertaining program combines storytelling with drama, providing students with the opportunity to participate in bringing multicultural folktales and myths to life.

Students become familiar with stories from diverse cultures as they explore their creativity and expand language, cooperative learning and communication skills.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling resource, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.
