

Storyvalues presents: Cheryl Thornton's *Earth Wind Water and Fire*

An Assembly Celebrating Earth Day 2014

An Interactive Storytelling Assembly for Grades K - 8

For over ten years Storyteller, Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout Southern Ontario.

Earth Wind Water and Fire is an engaging, interactive assembly that uses the tradition of storytelling to help schools celebrate our environment.

This educational and fun program combines storytelling with drama, providing students with the opportunity to participate in bringing multicultural folktales and myths to life.

Students become familiar with stories from diverse cultures around the world as they explore their creativity and expand language, cooperative learning and communication skills.

The presentation also includes free access to **Storyvalues**, Cheryl's online storytelling resource, where students are challenged to take *The Storyteller's Journey*, exploring folktales, art and music through videos, games and puzzles.

The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world.

Fee Structure

Assembly for up to 200 students:

- \$575.00 + HST.
- \$250.00 for each additional assembly
