

Storyvalues presents Cheryl Thornton's: *The 2013 Thanksgiving Past and Present Assembly*

An Interactive storytelling and drama assembly for Kindergarten to grade 8 classes.

For over ten years, Cheryl Thornton has brought her K - 8 drama and storytelling programs to schools throughout Southern Ontario.

The 2013 Thanksgiving Past and Present Assembly

is an engaging interactive assembly exploring Canadian Thanksgiving traditions. The 60 minute assembly features stories of the autumn harvest, generosity, gratitude and thankfulness.

This educational and engaging presentation combines storytelling with drama, providing students with the opportunity to participate in bringing multicultural folktales and myths to life.

Students become familiar with stories from First Nations and European cultures as they explore their creativity and expand language, cooperative learning and communication skills.

The presentation also includes free access to Cheryl's online storytelling program, **Storyvalues interactive**, containing written and recorded folktales, videos, and examples of world music and art. The digital program is a great way for schools and families to strengthen literacy by learning and sharing stories from around the world!

Fee Structure

The fee for an assembly with up to 200 students is \$575.00 + HST and \$250.00 for each additional assembly.
